1. Meeting called to order at 8:17 PM
2. Minutes from last meeting are not completed, will be available before next meeting
3. An email vote for hot lunch supplies including hot dogs and popcorn was completed and passed
4. Hot lunch has brought in about \$7600 in profits to date. There is a few snack days coming up where parents will be cooking, so more profits are expected. There is still a struggle for volunteers in the initial call but the call a week out usually garners enough parents. This may be due to a few issues, such as not wanting to commit to far in advance or giving other parents the change to volunteer. The leadership club may be a resource to help on short days if training can be provided. A table at the parent teacher conferences is also being considered for information/volunteer purposes.

5. Financial report given by Christine. Bottles are still being picked up, just waiting on money to deposit. Concession is being considered on family math night if volunteers are secured. Popcorn day is the same day, the prepay option is closed but popcorn can be purchased day of with cash.
6. Art Cards for the next fundraiser was motioned by Robyn, seconded by Karli and passed with 6 votes. This will be generic art not specific to a holiday/event.
7. Nothing was brought forward for open discussion or questions.
